Notification Settings

Some notification settings might be controlled by your school. You might not be able to configure notifications for all features.

Email: You will get email notifications to your official school email address. You cannot pick a different email address.

Text Message: You will receive text message notifications if you have added your phone number and verified it. You can change your phone number.

Mobile Push: You will receive push notifications on your mobile device if you have installed the Navigate360 mobile app and allowed Navigate360 to send your push notifications.

The “Notifications” page shows notifications regardless of your email, text message, or push notification settings.
