

Navigate: My Docs Feature - Viewing Your Progress Report

Please Note: when an Alert is raised via a **Progress Report**, students can now view comments, if provided by their instructor.

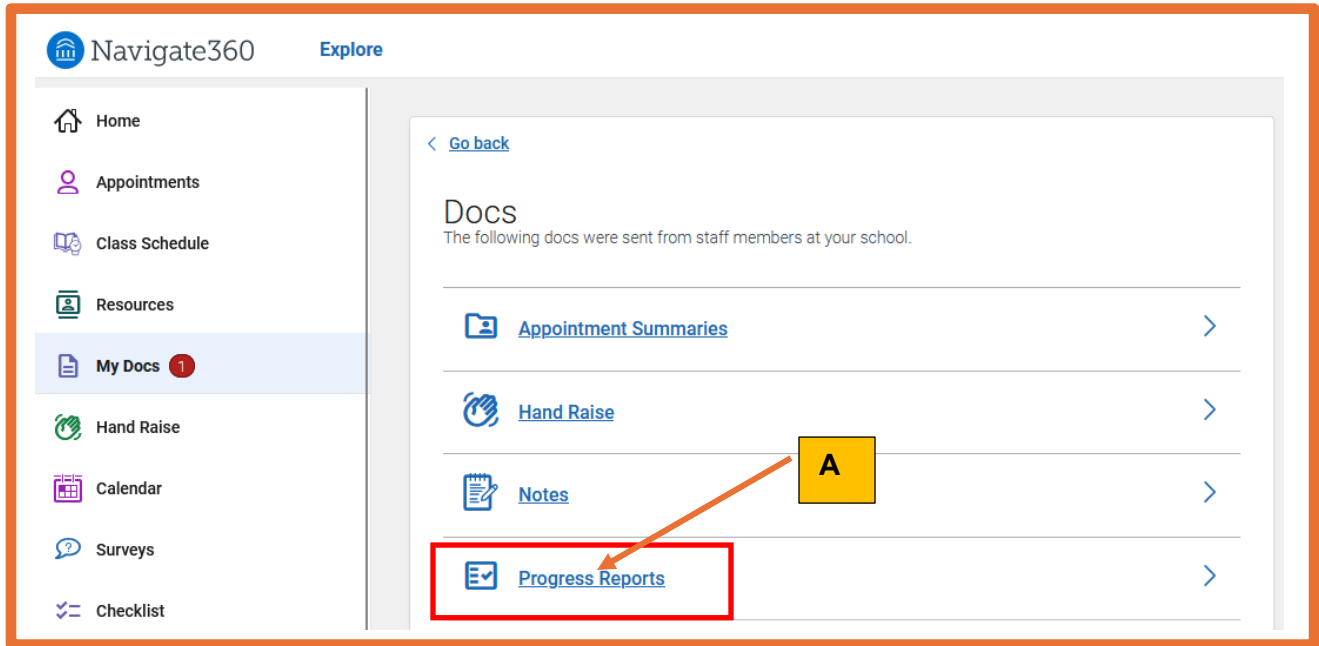

Currently, this feature is only available when an Alert is raised via a Progress Report. Students **cannot view comments** when an Alert is raised **ad-hoc**.

Students may view their individual **Progress Report(s)** and comments, if provided by their instructor. They will need to sign into their Navigate account and follow these instructions.

1. Clicking on **My Docs**

2. Then selecting **Progress Reports**

☆

Hi, your instructor Susan Maguire has the following feedback regarding your **HUMAN ORIGINS** class. If a field says "N/A", this means that your instructor left that field blank.

Alert In Danger of Failing

How Many Absences? 5

Current Grade E

Comments

Hi [redacted] You have missed five classes so far and are in danger of failing this course. Please schedule a meeting in Navigate to meet with me so we can discuss this further. There is still plenty of time remaining in the semester for you to improve and pass this course.

Please Note: when an Alert is raised via a **Progress Report**, students can now view comments, if provided by their instructor.

Currently, this feature is only available when an Alert is raised via a Progress Report. Students **cannot view comments** when an Alert is raised **ad-hoc**.
